

## Calgary Humane Society's Christmas for the Animals this Saturday

Calgary, AB -- Immediate Release

Join us on **Saturday, December 7th from 10:00am to 2:00pm at 4455 110 AVE SE** as we celebrate Christmas for the Animals!

This fun-filled day is the official kick-off for Calgary Humane Society's Stuff-A-Pooch-Pad Campaign, brought to you by Pet Planet.

Bring a much needed toy, treat or food item for the animals and help stuff our pooch pad, to make sure all shelter animals get something extra special this Christmas!

Then stay for food, crafts, movies and to visit with some of our animals.

- Can't make the party? You'll be able to donate your item to the shelter up until and including December 19th.

- Is the shelter out of your way? Our good friends at Pet Planet are happily accepting donations at any of their Calgary and area locations.

- Don't feel like going through the snow? Make a donation online to help the animals today!

For more details on event activities to see our wish list or to make a donation go to [www.calgaryhumane.ca](http://www.calgaryhumane.ca).
