

Emergency Rabbit Adoption Event at Calgary Humane Society a Resounding Success!

For Immediate Release

February 8, 2020

Calgary Humane Society has now adopted out the majority of all available rabbits!

Earlier this week, Calgary Humane Society found itself drastically over capacity with rabbits, with approximately 100 rabbits in care. The Society has therefore been hosting an emergency rabbit adoption event at the shelter.

The response has been overwhelming with over 80% of adoptable rabbits adopted! “Rain check” certificates are being given to all those still seeking a pet rabbit during the emergency event. Additional rabbits will be made available for adoption in the coming days, as they are returned from foster homes and are spayed/neutered. We encourage every adopter looking for their new pet rabbit to keep their eyes on the website and return to the shelter with their certificate.

Calgary Humane Society sends a sincere thank you to the Calgary community for assisting us in finding loving homes for so many rabbits!
