

# Rights, Respect, and Responsibility Poster

In this activity, you are tasked with designing a poster (on whatever platform you choose) on how the three R's – rights, respect, and responsibility – apply to the wildlife in your community.

Use the planning page below to make notes and do research for your poster!

What wild animals can you find in your neighborhood? Write them in the thought bubble.

<b>Rights</b> <i>What laws are in place to protect these animals?</i>	<b>Respect</b> <i>How can we respect the wild animal's homes, noises, and behaviours?</i>	<b>Responsibility</b> <i>How can I reduce my impact on the homes of the wild animals in my community?</i>
