

CAT HOUSE SOILING CHECKLIST

Use this checklist as you work to curtail your cat’s house soiling. Simply check off each item you have completed.

	Vet check
	Clean all soiled items with a urine enzymatic cleaner
	Add additional litter box(es), if needed (# of cats in house + 1)
	Add additional litter box(es), on different levels of the house
	Scoop litter box(es) at least once a day
	Use litter with no fragrance
	Try different litter products
	Uncover litter box(es)
	Make sure the litter box is in a quiet area
	Put ½” of child’s play sand or dirt under litter, especially if there is a history of being outdoors
	Put a pinch of catnip in each corner of each litter box
	Increase daily, interactive exercise
	Use honeysuckle toys
	If the cat is soiling in only one area, try to block the area with foil or upside down carpet runner.

If you find you are struggling to resolve your cat’s litter box behaviour you can always call our behaviour outreach line at 403-723-6019 or book a consultation via our website
