## Calgary Humane Society Monthly Newsletter for Households

### NEW! Reading Buddies at CHS

Do you have a youth that loves reading and wants to spend time with the animals? Join us for our newest program, Reading Buddies, on November 5th from 2:00-3:00pm!

Youth will be given an opportunity to practice their reading skills to the adorable animals waiting to be adopted. Our goal is to promote literacy among youth while inspiring them to become animal welfare advocates by learning about the Calgary Humane Society's mission and values. Reading allowed to animals can help build confidence and enthusiasm for beginning readers.

Tickets are free but do require advanced registration. Click [here](#) to get your tickets before they are gone!

### DIY Pumpkin Spice Puppacino

You will need:

- Unsweetened coconut milk
- Pure pumpkin
- Cinnamon
- Whipped cream (optional)

How to make it:

- Add pumpkin and coconut milk to a small cup
- Mix well
- Add cinnamon and whipped cream (optional) on top
- Have your pup enjoy in moderation!

# Time off school? Come to our PD Day Camps!

Calgary Humane Society Summer Camps are a place where kids in grade 1-9 connect with animals. Our goal is to provide an opportunity for children to interact and learn about the animals that share our world.

The Calgary Humane Society offers single day camps that run during most non-instructional days for CBE and CSSD schools.

Our single-day camps are \$55 for the day (9:00am-4:00pm) and involve a tour of our shelter, fun age-appropriate crafts, fun energizing games, and of course, animal guests!

PD Day Camps are open to youth in Grades 1-6.
