cocktails for critters

On behalf of Calgary Humane Society, we are thrilled to present you with the sponsorship package for our highly anticipated event, Cocktails for Critters. As a valued supporter of animal welfare and community enrichment, your partnership plays a vital role in our mission to care for as many animals as we can. This extraordinary evening of philanthropy and celebration will bring together over 400 animal lovers, including like-minded individuals, businesses, and organizations dedicated to making a positive difference in the lives of our animal friends. We invite you to join us as a sponsor for Cocktails for Critters, where you will not only enjoy exceptional brand exposure but also contribute to a cause that resonates deeply with our community. Together, let's create an unforgettable experience while raising critical funds to support the welfare of animals in our care.

The Phoenix Fund

The Phoenix Fund, established in 1999 by a compassionate donor, has played a vital role in Calgary Humane Society's ability to provide exceptional care to animals in need. Supporters of this fund have been instrumental in saving the lives of numerous animals over the past two decades.

We are excited to announce that the funds raised through this year's Cocktails for Critters will support the Phoenix Fund, further strengthening our ability to rescue, rehabilitate, and rehome animals facing extraordinary challenges. Animals featured at this year's event will showcase the impact of the fund on their second chance, sharing inspiring tales of transformation and resilience that would not have been possible without the unwavering support of compassionate individuals like you.

Your sponsorship will have a direct and profound impact on the lives of these animals, ensuring they receive the specialized care they deserve and a second chance at a happy, healthy life.

Together, let's continue making a difference and create a brighter future for animals in need.
